Victoria Hagan Melds Traditional Architectural Details with a Forward-Thinking Art Collection in This New York Residence

This elegant prewar Upper East Side apartment radiates with a fresh spirit fit for a young family

BY STEPHEN WALLIS

AUGUST 11, 2023

Walls clad in a Scalamantré silk and Jim Thompson fabric sheers bring warmth to the primary bedroom, which is furnished with a custom-made bed upholstered in a Romo fabric, a Bruno Moïnard Editions bench, a chair and an ottoman by Atelier Purcell from Dennis Miller, and a swing-arm sconce by Holly Hunt.
